EDITOR'S PAGE

Thank you to those who provided items for this month's Colonial. I have a number of articles left over but no My Car story.

This month's cover features Jack Press and his FC Holden. Story will be coming. Jack only joined the club in August. I don't have a story for next month so can someone please put pen to paper.

Week Day Social Lunches

Friday 3 October 12 noon and every first Friday: Sandwich lunch at the Southern Cross Club, Woden. All CACMC members welcome.

Friday 17 October Retreads car run lunch is to the Moon Rock Café at the Tidbinbilla Tracking Station. Meet at the Point Hut Crossing car park at the Murrumbidgee River about 11.20 am to get to the Moon Rock Café by 11.45 for lunch. Tables are booked for inside or outside depending on the day. There is a fair variety of meals available. Enquiries to Alec McKernan on 6286 1046. All members welcome.

Get Well

Please advise the Secretary if you know of anyone who could use a cheer-up card, especially if they are in hospital. Also let us know about any special anniversaries or the death of a member. Trust all those mentioned last month are holding their own or hopefully on the improve.

Sympathy

Our late member Gerry Hampson passed away on Saturday 27th September at Jindalee Nursing Home. Our sympathy to his family.

Photo Competition

In conjunction with the Yass Classic on Saturday 1 November there is also a photo competition. I would think anyone using digital photography is also on the internet, so please contact me and I will forward on the entry form and rules. Closing date 10 October. Judges are looking for the Best Black and White Photograph with a Heritage Theme taken in the last two years and/or Best Black and White "Classic Yass" photo taken in the last 5 years. www.classicyass.com

Your issue will be a bit late this month because of public holidays and the fact that I have had visitors. See you Tuesday,
Cheers, Helen

President's Run 24th August 2014

After another enjoyable evening at the Presentation Dinner the night before, 26 members gathered in one of the Curtin shops' carpark to participate in the President's run.

This year the members were asked to look for various signs along the way out to Casuarina Sands and answer questions about the information on the signs. We enjoyed a break there for a chat and to use the facilities if necessary and enjoyed the nice sunshine.

We left Casuarina Sands and made our way back towards the new suburbs of Molonglo via Mt Stromlo. We then proceeded towards Belconnen via Coppins Crossing and ended up at Transtate Tyres (formerly known as Jax Quickfit Tyres) where we enjoyed a pleasant Bar-b-que lunch.

The prize for the most correct answers to the observation questions went to Ken and Jeanette Walker and the prize for the most innovative answers went to Chris and Irene Berry.

Many thanks to Vin Liston for taking the Bar-b-que trailer to Transtate Tyres earlier in the morning before taking up duty at one of the Cancer Council's stands for the day then picking it up later. Also thanks to Daniel and Petra for doing the buying and cooking on the day. This took a lot of pressure off me having to do these things.

Many thanks to all who took part in the run and I hope you enjoyed taking your cars for a pleasant drive and again using the opportunity to promote our club.

Thanks Jan.

ULLADULLA HARBOUR CLASSIC 26-27 JULY 2014 MILTON ULLADULLA VINTAGE AND CLASSIC CAR CLUB

This biannual event opened with a static car display at the Ulladulla wharf and pier carpark which is one of Shoalhaven's named "iconic" sites.

The oldest car on view was a beautifully restored 1911 Flanders which was very attractive amongst the hundred eclectic mix of other cars. Morning tea was served by Marine Rescue, NSW, very worthy as their premises was destroyed by fire last summer.

The morning drive was well planned, visiting coastline vistas north and south of Ulladulla, to places one might not usually see eg Bommies Beach near the Lighthouse. It was low tide so the intrepid board riders were elsewhere. To absorb the magnificence of this part of the coast one should detour off the Princes Highway.

The route then wound in and out of Ulladulla and Mollymook to Narrawallee, showcasing the beaches and lakes. In contrast the rural historic area of Milton with its old buildings, bush pastures and huge old trees (Moreton Bay Fig and Illawarra Flames) was traversed. It was established in 1860.

Progress was then made along the country roads to the Pigeon House Mountain Tearooms, set on the ridge overlooking the valley to Pigeon House, which was named by Captain James Cook 22 April 1770. It is a very distinctive geological landform which Ken climbed some five years ago. Cars were on display again whilst lunch was served. The food was superb and ample time was allocated to explore around awhile.

The return journey wound back up north to Lake Conjola which is another popular holiday destination. The route's itinerary included observation questions, the most challenging of which was about the number of "roundabouts" travelled. It was a very roundabout run so shortcutters and non-directions followers were misled.

The Gala Dinner was great fun, an excellent meal was served and participants joined in the "Green and Gold" theme coinciding with the Commonwealth Games in Glasgow.

Sunday's run toured to King's Point which is quite hilly but adjoins Burrill Lake's backwaters. A visit to "Storeys" in the industrial precinct was a huge highlight. The superb, meticulous restorations of cars,

trucks and buses in progress was impressive. There were five Graham Paiges, all the projects of the local car club members Paul Ashley and Neville Storey.

Lunch at Lake Tabourie completed the activities. The members excelled themselves and their efforts were much appreciated by all participants.

Our Canberra Antique & Classic Motor Club enthusiastic ralliers were Irene & Chris Berry, Jan & David Wyatt and Jeanette & Ken Walker. All their cars performed to perfection.

Jeanette Walker.

Visit to Hall School Museum – September 14th 2014

Our monthly club outing for September was to the old Hall School Museum. The museum gives visitors the opportunity to experience a village school as it was in the early to mid 20th century.

25 members and friends were greeted by some very enthusiastic Friends of the Museum and led down to park our cars in the old school quadrangle for display. We were then taken down to the old Cottage where we were served morning tea by several volunteers. The morning tea which was thoroughly enjoyed by all, consisted of scones, butter, jam and cream along with tea and freshly brewed coffee. Table service was excellent!

We then split into groups and were taken by guides to the various buildings which housed memoirs of our pioneer families, the old picture theatre which still shows movies, the School House and the Men's Shed where there was an exhibition of tools. The bush school was set up as it would have been used with the wooden desks containing ink wells and slates for writing.

There was also memorabilia of schoolwork completed and a punishment book listing some of the mischief the children got up to and the penalties they were given.

Roger Amos who was with us for the Museum visit, had taught at the Hall school for three years so it was a bit of nostalgia for Roger.

The museum is extremely well restored and maintained by the enthusiastic volunteers and is well worth a visit for those who missed out.

Thank you to Chris Berry for visiting the Museum prior to our visit to organise the outing, we were made very welcome and all who attended thoroughly enjoyed the experience. Chris also assisted Ron Scattergood when he had a little problem with his car.

Thanks Jan.

It was interesting that Elizabeth Burness from the Tuggeranong Schoolhouse Museum has been out to Hall to assist them with setting up the exhibit in the classroom. Our member Kingsley Southwell is a Friend of the Museum as he went to school there 1948-1954.

Morris Owners Group travel the byways on its Spring Day trip

The Morris Owners Group Spring day trip travelled to Collector on the old Federal Highway and part of the Old Hume Highway from Gunning. Lunch was taken at the Bushranger Hotel with fish and chips and steak sandwiches being popular choice. The publican, club member Norm Betts, advised that the hotel is going up for auction on Saturday 11 October 2014.

After lunch the group travelled to Gunning for afternoon tea and a wander around the main street shops which included antiques, book and gift shops, and then it was on to the old Hume Highway before turning on to the Gundaroo Road and home.

Club member's who made the journey were:

DRAFT MINUTES OF ANNUAL GENERAL MEETING 9 SEPTEMBER 2014

Present: 44 members

Apologies: 12 members

Presidents Report David Wyatt

Good evening everyone and thanks for attending the AGM tonight. This has been my third year as President, but I rely on the rest of the Management Committee for guidance and therefore would like to thank those members for their help and support particularly over the time I was not available this year.

We have had some good achievement this year with one of the most notable again being Wheels. Thanks to all those who participated. Another very successful event was the hosting of the Bendigo car club during their visit to Canberra. The visitors and members attended a bar-b-que at the Cotter which was enjoyed by all. Thanks to all who helped, particularly Vin Liston.

Attendance at meetings and events again during the year has been good - we try to put on interesting events that please most people. Our presentation dinner held recently was well attended and I thank those who made it a successful night, particularly to our MC, Graham Gittins.

The club has seen a strong increase in requests for us to participate in community events. These can be a lot of fun, as organisers get very excited to have a display of vehicles and it fulfils the aim of getting publicity for the club.

I joined the Club so that I could enjoy driving my classic cars and meet others with a similar passion. I have made many friends while doing something I enjoy and have travelled to as many other regional events during the year as possible. I and other club members have also attended many local events associated with the Centenary of Canberra celebrations. These have all been very enjoyable events and it is interesting to observe how these are conducted and the work that goes into them.

Events and opportunities to use our vehicles are expanding at a great rate—some may think too fast but our vehicles are good, interesting and very diverse and I make a plea to those who can to get their cars out of the storage and put them in view of the public to do so as it can

only enhance the image of reasonable motoring.

Treasurers report Roger Amos

In the absence of the Club Treasurer Gerry Walker, Acting Treasurer Roger Amos read Gerry's Report

The Club remains in a strong financial position and as such I recommend no change to the fee structure. I would like to thank Joe Micallef and Roger Amos for filling in for me while I was indisposed or away and the rest of the Committee for their support.

A special thanks to Auditor Gail Boate, who has audited the books for many years as part of her and Alan's contribution to the Club. I would also like to thank all those members who renewed their membership early so I could process them before I go on holidays on the 3rd September.

As a Club member I would like to thank the events committee for all the work which makes the Club enjoyable to be part of.

The Club relies heavily on the same members who have performed the same duties for many years. Take a look at the Management Committee, Events Committee, Supper Coordinator and his volunteers, Membership Secretary, Webmaster, Registrar and inspectors and the Public Officer—most have worked for the Club for years.

Comments are heard from time to time that things aren't being done as a member or group of members wishes, may I suggest you put up your hand at the AGM to bring your ideas into managing the Club.

Given we have substantial funds there is scope for new activities to improve services to members so come forward and participate.

1920s GATSBY THEME SPRING BALL

Captain Ed Cousins has written wondering whether our club would like to get involved by having suitable cars parked around the mess at the beginning of the night of the annual Spring Ball at Duntroon House for their Mess Members on 18th October from 7 pm.

I have sent a note around to some members with American 1920s cars but so far not a good response. Please let Helen Phillips know if you would like to attend as well as contacting Ed on 0425 291 872.

Interesting cars seen on visit to UK & France

My wife and I recently visited family and friends in the UK and France. There were a lot of classic cars around, and I took photos of three of the more interesting ones.

The first was spotted in a car park at Godshill on the Isle of Wight. It had 'Rover' on the grille, and what looked like an air-cooled horizontally-opposed engine.

The second car was in the small Leicestershire village of Tilton on the Hill, about 20 km east of Leicester. It was a beautifully restored, right-hand drive 1950s Citroen Traction Avant, complete with dicky seat. The car was built in Slough, where the company had a factory from 1926 to 1965.

The third interesting car was a Salmson that lives in a small village about 100km west of Montpellier, in southern France.

Salmson was originally a small-volume French car manufacturer: its main activity was building aircraft engines. They stopped making cars in the 1950s, after which Renault bought the factory. This particular car was running until problems with the preselector gear box took it off the road.

Anne McKernan has also written about their overseas trip. It involved travel through France seeing the war cemeteries and battlefields. Coming up in November.

Some old cars they saw.
We'll have to find out what they were.

1975 Triumph Stag - this would be a project car for an enthusiast. The vehicle was completely stripped for restoration by my son before he took up a post in the USA. It has been standing in my garage for a number of years and would dearly like a good home. Although the parts are located in 2 of my sheds it is as far as I know complete, there are some new parts, a workshop manual, parts catalogue and a short list concerning the packaging of the parts.

In addition to the above I have numerous motoring books, mostly Jaguar & Rover. I'm at present putting together a list of those items that I wish to clear, inquiries are welcome.
