EDITOR'S PAGE

Thank you to those who provided articles for this month. Still waiting for articles from the Van Wijks and Eddie Grima. Many thanks to Peter Castrission, who has just joined, for the story of his Fairlane. Joe is aiming to do a story on the restoration of his caravan for one of the coming months. And Murray Mules has offered a story. So keep them coming in.

Week Day Social Lunches

Friday 4 August and every first Friday:

Sandwich lunch at the Southern Cross Club, Woden.

Friday 18 August Retreads lunch run. Alec has booked tables at the Calwell Club, 1 Were Street, Calwell for lunch at noon. All CACMC members welcome. There will be a sheet to sign in at the front desk. Enquiries to Alec McKernan on 6286 1046 until 15th August then he will be away for two weeks.

Please Get Well

I hope everyone who had health problems this last month is on the mend. Jan is battling on and at the time of going to print was back in hospital. Pam Senior recovered remarkably well from her op while John was whingeing about the bruises from his procedure. Let Roger or I know if you think anyone needs a card from the Club.

Welcome to new members

Welcome to Charlie and Raffaella Sgroi whose names appeared in the July Colonial. This was overlooked at the July meeting. There will be a lot to welcome at the August meeting (see page 5). Wouldn't it be good if you could all make it on the 8th August.

Check your details

Would all members listed on pages 2 and 3 check their details for correctness. There have been a number of changes in the last month and I'm not sure I have got them all.

Speaking of Committee, we need your help members with the management of the Club for the next year. Please offer a bit of your time to help out.

Giving Notice

I will not be able to do the October Colonial as I will be away 8-25 September and the copy should go to the printers on the 25th. No internet access where I am going!! If someone can volunteer we can have some practice in August and I will get the October issue started for you.

2 late notices of events are on page 29.

Cheers, Helen

Club Run Sunday 16 July, National Arboretum & Free Serbian Church

We were fortunate to have a beautiful sunny day for the July Club Run; perhaps God was smiling upon us?

We met at Dickson College and drove to the National Arboretum for lunch.

The blackboard menu was quite extensive, fresh and reasonable given \$15 per dish on a Sunday.

Service was quick which was handy, as you cannot book tables but the customers at the tables turned over quickly.

As so many Canberrans know, it is a beautiful place with extensive and commanding views over Canberra.

The Bonsai collection was beautiful and was worth seeing in winter with so many of the deciduous trees with bare branches showing the forms that they have been sculpted into by caring, keen bonsai artists.

Twenty three members went on to see the frescoes at the heritage-listed Free Serbian Church in Forrest. They were painted over a 14 year period and on a tall ladder by a Czech artist, Karl Matzek who commenced work on the murals when he was 70!

We were met by the very gracious Father Aleksandar, who welcomed us and gave a short talk on the murals and artist.

The frescoes illustrate passages from the New Testament and historic battles from Serbian antiquity.

The church is really quite impressive and beautiful and one of the many 'hidden' gems that abound in Canberra.

One of our members who was living at the then nearby Macquarie Private Hotel had met the artist and chatted to him back when he was painting the frescoes.

For details on the church, try www.facebook.com/StGeorgeChurchForrest
Thanks to Alan Martin for suggesting the run and for 'telling us where to go'.

Brett

Thanks to Roger Amos, *I have pictures of cars at the start at Dickson College but did anyone take any at the Arboretum or the church?* Helen

JC 052 - THE STORY

Owner—Peter Castrission (car inherited from Dad in 1987)

The original owner was my father Jack Castrission from Gundagai, NSW. Dad owned and operated the iconic Niagara Café with his brothers. He arrived in Gundagai in 1921 from Greece, aged 14 and worked at the Niagara until he retired and sold the café in 1983.

The car is a ZB Fairlane 500, built in Australia in November 1968 and purchased new by Dad on 15 January 1969 from the local Ford dealer at the time, Gundagai Motors. The car cost \$4029. It was considered a luxury vehicle then, fitted with a 3 speed automatic transmission, front disc brakes and power steering. An aftermarket, under dash air conditioner was fitted in the early 1970s. At the time, Ford were on the cusp of changing their V8 motors from the 289 to the 302. The car has a 302 Windsor, a 4.9 litre power plant. The original colour was 'starlight' blue.

As the car was willed to me, it is a genuine one owner with 78,500 miles on the clock. I was 14 when Dad bought the car and I obtained my driver's licence in the car in 1972, aged 17. When Dad passed away in 1987 the car had 48,000 miles on the clock. I used the car as a daily driver, on and off up until 1997.

I went overseas in 2000 to work and basically the car was in storage in Gundagai from then until mid 2007.

I began a restoration project on the paint and interior in 2009. The car will always be an ongoing project, however, it is basically all original.

Restoration Details

Paint: bare metal respray, Wayne Smith, Fyshwick Panel and Paint ACT, July-September 2009.

Chrome: Bars re chromed by Everlast, Fyshwick, ACT

Interior: Robert Pegg, Macgregor, ACT.

Mechanics: Dyno Tune, Mitchell, ACT.

Exhaust: Belconnen Exhaust Centre, ACT

Wheels: Bob Jane, Belconnen, ACT

Modifications *

- Pacemaker headers and dual stainless steel exhaust
- Holly 500 carburettor and chrome rocker covers/air cleaner
- Additional mirror on left hand side
- Thermostatic fans
- Air horn.

* All the original parts removed from the car have been retained and restored to original condition. The car could be returned to stock standard condition at any time, relatively quickly.

The number plate JC-052 is a tribute to my Dad Jack Castrission, 52 Punch Street, Gundagai. The old blue girl will always be Dad's car. Enjoy her.

Peter Castrission.

SIR LESLIE MORSHEAD HOME/RSL LIFE CARE, LYNEHAM

Retreads members supplied 12 cars to take some old folk for a drive around Lyneham on 18th July. The drivers were then invited to partake of afternoon tea.

From the back that would be Eddie Grima's Jaguar, Roger Amos' Vauxhall and the nose of Lilly and Keith's LTD.

Is that Bob Judd's Vauxhall, then Joe Micallef's Honda

and from the other end the Gallagher's Austin 3 litre.

Now who belongs to this purple beast? Please let me know.

Dave Rogers might have had trouble getting the oldies into his Triumph. Here talking to Lilly and Keith.

President John Senior came along in his Humber.

Phil Donoghoe would have had no trouble getting people to ride in his Durant.

Gaydon BMC day

Gaydon today was absolutely amazing, 11 cars together has not been seen for many years. We also had every colour option on show. I had so much positive feedback about our cars. We certainly made a big impression today.

For those of you who couldn't make it I have attached a picture of all the cars. I know you were there in spirit.

To put our achievement into perspective, we were parked next the Maxi club, they had 6 cars on show.

The museum were amazingly helpful with all my requests and they were very accommodating with our request to have all our cars in a line for a photo shoot.

Nick Larkin has promised us a good write up in classic car weekly, that will probably be out on Wednesday I guess. I think this event is firmly on our calendar now!

Ray Gallagher received this report from the UK. Your red one would have looked good there Ray.

Bob's Shed

As mentioned by Michael Toole at the last meeting, if you are on the New England Highway up towards Tamworth, this might be worth a detour.

Take a stroll down Memory Lane in Bob's Shed where you can find an old time General Store stocked with authentic 40s and 50s items, admire the collection of historic pub items in the Railway Hotel and visit Peter Brocks World - an amazing tribute to an Australian icon. Bob will tell you stories attached to his collection, which just adds to the quirk of the place. If you have been to Bob's Shed before, visit again! Bob is a long way off completing his collection! New items or sections can be found all the time, so maybe it's time to revisit! www.visitquirindi.com.au

COUNCIL COMMUNIQUE - JULY 2017

GST and the importation of Low Value Goods

The Federal Government's budget proposal to implement GST on goods, including car parts, valued under AU\$ 1000 imported from overseas has been deferred until 1 July 2018.

The delay is to allow the Australian Taxation Office to hold discussions with overseas suppliers on the best way of collecting and remitting the tax. Until now, goods, including car parts, purchased from overseas suppliers such as Moss Brothers, eBay, Amazon and Alibaba etc and valued at under AU\$ 1000 have been GST free.

When this tax change is introduced, the imposition will apply to vehicle parts and goods whether they are second-hand or new.

Further information from the ATO website:

<https://www.ato.gov.au/Business/GST/In-detail/Rules.GST-and-imported-goods/>

Tightening of regulations in respect of existing rules banning the import of asbestos

Vehicles imported into Australia are now coming under scrutiny by Australian Border Force who will inspect for traces of asbestos.

The scrutiny has huge implications for members and for the industries that are associated with the importation and maintenance of those vehicles. Importers and customs agents are concerned that vehicles may have to be stripped of parts such as clutch, gaskets, exhaust and brake components that could contain asbestos or any other hazardous or suspicious materials.

The experience of one classic car importer has shown that with costs of \$14000 being incurred, which included a payment to licenced asbestos removalists and hygienists. This is in addition to substantial damage to his 1966 Shelby GT 350 of some \$12000.

For further information go to the following websites: <https://infrastructure.gov.au/vehicles/imports.new.aspx> and <http://www.border.gov.au/Busi/cargo-support-trade-and-goods/importing-goods/prohibited-and-restricted/asbestos#goodsthatmightcontainasbestos>
