Keep Well

To all those members battling ill health, please get well soon. I've had a successful knee replacement operation and thanks to the Club for the get well card and to those members who came to visit in hospital. Special thanks to Graham Bigg and Dulcie who often popped across from another ward to visit. Hope you are home now Dulcie and continuing to improve. And thanks to Graham for helping out with transport. I just have the hard work to do now with the rehab part.

Sympathy

Our sympathy to Graham Bigg and family on the death of his father.

Membership renewals

We are down to 29 unfinancial now.

Resignation

It is with regret that I see that Joan and Clive Glover have resigned. We thank Joan for helping with preparing the Colonials for mailing these last few years. And Clive for being Supper Co-ordinator.

I won't see you at the Presentation Night as I still have a swollen leg and foot and can't get a shoe on and stiffen up after sitting for a while. Well done to the Events Committee and others for all the work that has gone into it.

Cheers, Helen

Council Delegate Roger Amos

Report from July Council Meeting

NSW RMS was changing the system with registrations including Historic plates. There will be no windscreen labels issued for Historic vehicles and some use of electronic pink slips.

The AHMF was doing some lobbying with the issues of luxury tax for heritage vehicles and also the asbestos problem for imports.

Council Registrar had been invited to attend a meeting in the office of the ACT Shadow Minister of Tourism (at the latter's request).

The proposals for the new CRS and Modified Systems together with the draft Memorandum of Understanding had been formally submitted to the ACT Government on 22 June.

It is important that members report any change in CRS registration to our club registrar as Bob is required by the RTA to maintain an accurate register of vehicles in the club.

One member advised that for eight years he had identical full rego plates on his motorbike and car in NSW. (eg, TKD-243). The RMS had advised him this was no longer permitted and on expiry one plate would have to be surrendered.

The delegates agreed that the Wheels ladders should be sold and suggested a Dutch auction at the next Council meeting in August.

AUGUST MONTHLY RUN TO CUPPACUMBALONG

See report page 14.

The Colonial

September 2018

Sunday 19 August run to Tharwa Forge

The weather gods were smiling upon us again for the Sunday 19 August run to Tharwa Forge.

The Saturday had been cold and wet and similar was forecast for the Sunday - but the sun shone in the morning and the wind abated. Not a bad day for mid winter.

We assembled at the Weston car park near MacDonald's and left for a 65 kilometre back roads run via Uriarra Crossing to Tharwa. The run had many good views over the valleys to the southwest of Canberra.

A link to Geoff's excellent video is attached and shows the cars and the country off really well, whilst the rorty sound of the '63 Fiat's 1500 engine provides an enjoyable soundtrack. (*Bottom of page 31*)

In all, 23 club cars and over 30 members attended. We re-assembled at Tharwa Valley Forge which is on the land of the Cuppacumbalong homestead.

We were met by Ali and her daughter Leila who showed us through one of the workshops at the Forge, while a knife-making class was in progress. The talk was interesting and informative and lead to some keen questions from members.

They and Karim have owned the property for some months now and are slowly developing plans to renovate the grand home at Cuppacumbalong which we were also shown through. It really is a fine stately home set in a wonderful position near the river.

Roger's beautiful hardtop wire-wheels red MGB was out, as was the interesting 1955 original Lanchester owned by Karl, and Simon's lovely Dato 1200 ute.

Thanks to Vin Liston for towing and setting up the BBQ trailer which provided a shelter and much appreciated warm drinks.

Thanks also to Helen Phillips and Bob Garrett who suggested a run to the Forge - which we will reward with chocolates at the next club meeting as part of 'Tell Us Where To Go'.

We might redo parts of that run as a late afternoon and early evening drive in late summer for a 'convertible, top-down cars and friends' themed run and BBQ. Let us know if you would be interested.

Join the Events Committee

The Events Committee is looking for an additional member - or two.

Would you like to be involved and creative in planning and deciding what runs and events the club attends?

We need a few more active members with good ideas and people skills.

We meet each second Tuesday of the month, before the club meeting for a meal at 6 pm, at the Croatia Deakin Soccer Club. We all have active lives and share tasks and responsibilities so that we do not have to attend all meetings and runs.

Please give the idea some thought, then get involved and you will get a lot more enjoyment from your club activities.

Contact any member of the Events Committee.

MY LATEST ACQUISITION - 1925 VAUXHALL 14/40 LM Malcolm Noad

The car is indeed a Vauxhall 14/40 LM made in 1925. It has a 4 cylinder 2.3 litre motor

The earliest history is that it was restored prior to being auctioned at the 1989 Grand Prix in Adelaide. It was then on sold in April 1991 to a gentleman in Adelaide who kept the vehicle until he passed away in 2012. His wife kept the car until it was auctioned in 2017 and subsequently purchased by Rainsford cars in Adelaide. I purchased the car from Rainsfords and trailered back to Canberra.

The car is fitted with its original sporty touring body by James Flood of Melbourne and was sold new by Barlow Motors, Latrobe Street Melbourne.

The 14/40 LM Series was among the last of the cars produced by Vauxhall during their golden years prior to GM involvement in 1926.

Given the car had been sitting for around 5 years unused prior to the sale it would not run for more than around 2 minutes. The problem proved to be a waxy build-up on the fuel line filter within the fuel tank. Once cleaned the car and the vacuum fuel system worked as intended.

It gets along very nicely and would certainly leave my Bullnose Morris's for dead.

There are approx 150 model LM Vauxhall still surviving.

Canberra Car Club turns fifty

The Canberra Antique and Classic Motor Club turns fifty in November 2018. The club formed in late 1968 with eight members now has a membership nearing 300 members.

Members come from all walks of life from public servants, military personal, to retired professional people.

Club president, John Senior said "it would be one of most diverse membership of any club in Canberra, it is as diverse as the vehicles they restore and drive."

"We have an active membership of around 50 men and women, and while we would like younger people to become involved in the various activities of the club, we are very pleased with the range of runs and outings arranged by our events committee members.

"Our half century celebrations include a short tour to the South Coast of New South Wales, a tour to the central west of New South Wales – Oberon, Cowra, Forbes and Parkes, a three week tour of Tasmania, a 50th anniversary and presentation dinner, a calendar featuring members vehicles, various pieces of merchandise and a special edition of the club's magazine *The Colonial* as well as our regular monthly runs around the Canberra Region," he said.

The club boasts more than 500 vehicles on its register, ranging in age from 1911 to 1988. The fleet consist of motor bikes, cars, trucks, caravans, trailers, military vehicles and commercial vehicles.

Club members were largely responsible for the restoration of the Canberra Pie Cart with students from the then Copland College. The restoration of the 1939 Chevrolet van was carried out over a three year period with club members mentoring the college students to bring the Canberra icon back to life.

Each year the club makes a substantial donation to a local Canberra charity and provides vehicles for display at retirement homes, school and church fetes it also makes vehicles available for special displays such as at Seniors Week.

The club meets on the second Tuesday of each month at the Deakin Bridge Club, where it stores its extensive library and memorabilia.

New members with an interest in heritage motoring are always welcome.

Welcome

The President John Senior welcomed members to the annual general Meeting of the Canberra Antique and Classic Motor Club

Confirmation of Minutes of the September 2016 AGM

Present's Report John Senior

The President gave a brief report in which he said the club had had a number of ups and downs during the year and he hoped for a better year ahead.

Treasurer's Report – Bob Judd

As I was able to report this time last year, the Club remains in a strong financial position. As a consequence I have not recommended any rise in the fees level, which remain the same as those paid over the last five or six years .

I would like to thank Graham Bigg for providing support over the last year in his role as Assistant Treasurer and Gail Boate who has audited the Club's accounts at the end of this financial year, and the many years previous. I would also like to thank Joe Vavra for providing his assistance in maintaining the Register of Members – a task that has become more cumbersome as time progresses. I look forward to their continued support over coming years.

May I also thank my fellow Committee members who have provided assistance and guidance over the last year. This small band of volunteers desperately need your assistance. If you want the level of service that is currently provided to continue, some members must step up to help carry the load. Failure of volunteers to step up and assist means that service will either have to be reduced or possibly outsourced as considerable expense to the membership.

As mentioned last year, the Club currently has over \$40 000 sitting in fixed term interest bearing deposits, but it has no plans at all to do anything with that money. This is an unused resource. I would like to think that something positive can be done with these funds – preferably for the benefit of the members who have contributed these funds. We are just entering our 50th year as a club operating here in the Canberra Region. I would think that this would provide adequate ideas for the use of some of

these funds. I continue to await your directions.
As for now, we continue to press on and aim to provide a service to members that is both useful and worthy.

Meeting closed at 9.20pm

Greetings Helen,

I have heeded your call for contributions for *The Colonial* about old cars. I had some hesitancy because the family photos of the old cars seem to me to be more about the times and the people in them than about the car - in fact I do not know the model of car. Anyway, you in your wisdom can decide whether to use any or not, thanks. [AND, thanks again for your regular production of a great magazine].

The car belonged to my paternal grandfather and is in photos taken a century ago. I suspect that's why my father is not present, because he is at the working end of the camera [those were the days when a roll film had space for 8 exposures that were developed and printed by the chemist or at home]. The human subjects were asked to keep still and it would seem that human subjects struck a pose [note that my grandfather and grandmother are not staring down the camera lens. I could almost swear that Nan is playing with her smart phone in picture number one! Nah, not really.

Now to the photos:

No. 1 At Narrabeen, 1918. From left: Uncle Es, my father in military uniform, Grandpa, Nan and Auntie Kathleen. Can you find Dad's army cap?

No. 2. South Creek Road, north of Manly, 1919. I guess it was a family outing one Sunday afternoon, when they stopped to pick some gum-tips or wattle. Is there a road today, where you could park on the bridge and organise a family snap?

No. 3. In the driveway of 3 Osborne Road, Manly [my birthplace], prior to departure for Parkes, NSW. in 1919. The lady [probably a great-aunt] in the rear, seems to be prepared for a formidable journey. It would have been undertaken many times. I can just remember the trip to Parkes in 1939 and it was no picnic then. 1919? Your can keep it!

No. 4 In the drive-way, 1919, ready for the Peace Parade in Manly after the cessation of fighting in 1918.

Regards, John
Howard.

2018 TASMANIAN RALLY

Things are moving steadily along. The rally will start in Melbourne on 10 November and return to Melbourne on 29 November. Some participants are flying into Launceston but most will catch the ferry from Melbourne making their way to Melbourne when it suits them, but in time to board the ferry according to their booking. Similarly on the way back after they arrive in Melbourne on 30 November.

Presently we have 2 members travelling by air to Launceston and hiring a car but most are travelling by the ferry. At present 15 participants are going, others have had to drop out for various reasons.

The Rally will travel clockwise around Tasmania stopping at various places however participants have the flexibility to pursue whatever attractions they want to visit.

The present participants have to pay their outstanding ferry payments by 10 October and their accommodation by 29 September.

If any other club members wish to join the rally they will need to make their own arrangements or contact the Hobart Travel Centre. Contact either Graham Waite or myself for details.

Could you please let any member who has a passion for side valve Chrysler vehicles that I need to find a home for a complete 250Kew engine (from a mid-50s Kingsway I think) It is in my storage shed at the workshop in Mitchell and I definitely do not want it to have to go to scrap but I do have to clear out the place by December. It was a running engine when removed but has been in my shed for about 10 years.

Definitely do not need any money for it – just come and save it.

Guidelines for the use of ACT Concessionally Registered Vehicles

The By-Laws are available on our club website for members to check if they are unsure of the rules.

Please, if your car is registered through our Club, advise the Registration Officer if you are going to use your vehicle for an event not advertised in the Colonial.

**Bob Alexander phone 0417 880 064
or by email: rjacgs@hotmail.com**

OR

Think ahead and get your event listed in the Colonial. Attendance at charity events is NOT exempt from the rules and you must get it listed in the Colonial. Remember this also applies if you are going to an event with a one make club you belong to, but your car is registered through CACMC.

Carry your Colonial with you or at least the relevant pages.
