Thank you to those who provided articles and photos for this month. Always after restoration stories or stories about recent cars you have acquired. Or trips you have done. Next month a story on the Landrover 70th anniversary rally held in Cooma from Alan Boate.

During previous months we have noticed a steady decline in numbers and we have reluctantly come to the conclusion that this lunch has reached it's 'use by' date. No further third Friday Retreads Lunches will be organised. Wayne & Sandra Smith 0413 003 396

Keep Well

To all those members battling ill health, please get well soon. Please contact the Secretary and let him know of any member not well, or having a special birthday or about the death of any member.

Sympathy

Sadly we learned that Alec McKernan passed away on 23 April. Sincere sympathy to Anne and family.

Happy Mother's Day

I hope all the mothers in our club have a very Happy Mother's Day and are spoilt that day.

60 day Scheme

Did you get your letter from Access Canberra with all the details? Mine said you need to obtain a logbook before you next use your vehicle after 3 April. There are still questions arising from the new scheme, eg if a member uses his vehicle for a one make rally. This would need to go in the front of the new logbook. The Club events listed on page 18, those where the Club asks members to provide cars for things like Seniors Expo, Duntroon Heritage Day, 60 day launch or Retreads runs would go in the back. Happy to be corrected if this is wrong.

Thanks to Charlie Adams, Lee Gaynor, Phil Cancellier and Eddie Grima for displaying their vehicles at the launch.

I'm sorry if I missed anything this month but there has been a lot of fit in. Keep the stories coming in please.

Won't see you Tuesday but on an event soon.
Cheers, Helen

Bad behaviour at Woden Access Canberra by car club members was disappointing to hear.

Dave Rogers

Rude ugly behaviour on behalf of some car club members was totally unnecessary .

The question When did you join the car club asked by Access Canberra staff was a misunderstanding by Access Canberra staff and has now been deleted .

Mr Rogers also answered a number of questions from members about the 60-day usage scheme. The new Council by-laws should be on their website tonight. The Inspectors have a new form for completing.

Rally Business

Graham Gittins advised that the Silo Art tour had been postponed until Spring - September-.

The earlier date of June had been cancelled because of the demands of accommodation establishments for 50% of the accommodation tariff now.

New date and itinerary being worked on and will probably involve Sealake, St Arnaud in Victoria.

ACT HERITAGE FESTIVAL—DUNTROON DAIRY OPEN DAY 15TH APRIL

As discussed, please find attached photos from the day at the Duntroon Dairy. An interesting day visiting something I never new about, even though I have lived in Canberra for over 35 years 😊.

The Dairy is the oldest building in Canberra being built back in 1832 and featured Canberra's very first refrigerator for storing the milk and cheese below ground.

Plenty of entertainment for everyone with music, dancing, period dressed soldiers firing their musket rifles. Many displays such as old pistols and rifles, Canberra ancestry information and finishing off the day with the Rangers winning my truck out of my parking spot where I got stuck, to a great round of applause 😊

*Thanks to

LAUNCH OF THE 60 DAY USAGE SCHEME—3 APRIL 2023

It has taken nearly five years of negotiation but the 60-day usage for heritage vehicles is finally here.

At a media launch of the 60-day day usage scheme, the Council of ACT Motor Clubs president Roger Amos, provided the Minister for Transport The Hon. Chris Steel with a background to the scheme and its importance to the heritage motor movement in the ACT.

The ACT now joins the other State and Territory jurisdictions who have been operating a similar scheme for some years.

The Minister, congratulated the Council on persevering with the introduction of the log book based scheme, which allows concessionally register vehicles unlimited use of their vehicles for 60-days in any one registration year, except for commercial use.

Council Registrar Dave Rogers explained some of the detail of the scheme to a select group of car club members and the media. As an added attraction five heritage vehicles and a motor bike were displayed on the square.

After the formalities guests were invited to morning tea in the Civic Square precinct.

Thanks to Graham Gittins

Charlie and the other members of our club who were displaying their cars for the launch on Monday, 3 April, were notified to attend Hume yesterday (30 March) between 11am & 2pm.

I went for a drive with Charlie and he was the first one to arrive and received the first logbook 1111.

I thought it was a worthwhile photo opportunity.

CACMC EVENTS CALENDAR—2023

Sunday 21 May 2023 – National Motoring Heritage Day cavalcade and trophy presentation lunch

This year National Motoring Heritage Day is on Sunday May 21st (not competing with Mother' Day on May 14th). Many clubs and associations around the country are holding special events to draw attention to the heritage value and enjoyment of historic vehicles.

CACMC is proposing once again to commemorate this day with an unofficial cavalcade of our interesting and eye-catching vehicles through the public areas of central Canberra, ending up at a suitable lunch venue where annual trophies can be presented to winning members and vehicles.

Details will need to be confirmed, taking into account any relevant temporary traffic restrictions due to road works or unusual weather conditions.

Departure for participating vehicles should be from the public car park at the summit of Red Hill at 10:30, following a route through the parliamentary triangle, Russell, and Civic Centre.

Information on route and lunch destination will be communicated to members as soon as available. Meanwhile, save the date!

Contact: Richard Thwaites events@cacmc.org.au 0414 241 079

Route details will be handed out on the day and the venue for presentation of trophies will be advised by email.

Future Club runs:

Sunday 18th June

Sunday 16th July.

Sunday 13th August

We look forward to meeting lots of the new members on these outings.

48th National Vauxhall Rally

I attended the 48th National Vauxhall Rally in March.

I used the Car Club trailer to tow my 1937 DX Vauxhall to Pambula. My brother and his wife drove from Millthorpe in their 1964 Viva and followed me from Canberra to Pambula.

The Rally was organised from "Vauxhall Central" based at the Pambula Holiday Park where we stayed in a beach side cabin for the week.

54 Vauxhalls were gathered with 139 Vauxhall owners and friends.

The Rally was planned to give plenty of time for inter-state members to have a great holiday.

Three one-day Runs were organised.

One south to Eden and the Seahorse Inn at Boydtown returning via an inland route through Nethercote and Lochiel.

The second to the west through Wyndam, Myrtle Mountain, Candelo and Wolumla.

A third to the north through Tathra, Bermagui, Central Tilba returning via Cobargo and Bega.

It may have been fortunate that my Vauxhall was not performing well as all three runs were beyond the capabilities of the old girl so I travelled in the Viva or used my modern tow vehicle.

We visited the Pambula Car Club facility. They have almost as many members as CACMC with many sheds on a six hectare block just south of Pambula. Members park their cars in one very large shed while a second large shed houses Don Learmont's collection. Some of these cars were once owned by Peter Learmont and belonged to our club. Don constructed the shed to house his collection on the understanding that it would belong to the Pambula Car Club when he passes.

Club rooms are located between the two sheds and is a wonderful facility.

The "Show and Shine" was located next to the Sunday Rotary Markets in Merimbula and owners were encouraged to dress in fashions of the period to match their car. Owners and visitors were encouraged to vote for the vehicle of their choice and I was pleased to note that the DX received more votes than the Viva. The winning car was the 1934 BX Vauxhall that was restored by Simon Brown and once owned by Naomi and Cec Brown.

The Rally was very well organised and everyone had a great time.

I can recommend the Far South Coast on NSW as a holiday destination as the drive and views are spectacular.

2023 BERRIMA RALLY - 18-19 FEBRUARY 2023

The 45th Berrima Rally was held at Mittagong on the 18th and 19th February 2023.

Check in was at Mittagong Public School where you were directed to park your vehicle in its year of manufacture for judging. Entrants then proceeded to the school's hall to check in, receive a run pack and then a cuppa and cakes for morning tea. Entrants could inspect vehicles on display, catch up with other entrants, partake in games, or view a display of as found and restored metal pedal cars, trikes and bikes or the T-Model Ford Truck with a display of vintage bits and pieces on the tray.

Lunch in the hall was self serve of home made rissole/sausage with salad and bread roll. This was followed by "judge's choice" best in show which was a Ford XT Falcon Sedan.

Saturday afternoon run was following the back roads through the region and ending up at Nepean Dam where you could walk along the dam wall and then return to Mittagong.

Saturday evening was a themed dinner where you had the option of coming in fancy dress, and the theme was "nursery rhymes", like Little Bo Peep, Humpty Dumpty, plus prizes for games. There was also a special guest performer who came on stage as Elvis Presley and entertained the audience with an array of songs.

Sunday morning started at Mittagong Public School with a morning tea of a cuppa, scones with butter, jam and cream. The run left the school grounds with a scenic drive past Bong Bong Racecourse, through Robinson to a walk through a rain forest. Return back along Illawarra Highway through Bowral to Mittagong Public School for lunch. Lunch was cold chicken smorgasboard with salad, tea and coffee.

Presentation of weekend trophy awards, the raffle drawn, lucky numbers draw that resulted in every entrant receiving a prize.

At the finish say our goodbyes and have a safe drive home. The Berrima Run Committee did an excellent job and had put a lot of hard work into organizing the event. WELL DONE to the Berrima Car Club.

Council Affiliation Fees Due

Council affiliation fees are due not later than 30 June. The Committee encourages Clubs that can, to reaffiliate before 30 May to assist the Council Secretary reconcile and the Registrar to lodge CRS paperwork timely with Roads and Traffic Authority ACT. The documentation necessary to reaffiliate may be found on the Council website.

Those affiliated clubs who have not already done so, should send a copy of their Incorporation Certificate or other proof with the appropriate affiliation documentation. Failure to do so will mean the Club is disaffiliated from the Council and therefore any club members with CRS registered vehicles will be deemed unregistered and should not be driven on public roads.

60-day usage scheme

The launch on 3 April 2023 of the 60-day usage scheme for CRS vehicles heralded a new era for the heritage vehicle movement in the ACT.

In the presence of two ACT Government Ministers – Minister for Transport Canberra, The Hon Chris Steel and Minister for ACT Police The Hon Mick Gentleman the launch attracted a wide selection of media - press, TV, radio and social media.

There are several perceived issues to be worked through with Transport Canberra but generally the new system is working well. As Council Registrar, Dave Rogers, commented to Minister Chris Steel 'The 60-day usage scheme took longer than World War 1 but we are now in Treaty of Versailles'.

Australian Historic Motoring Federation

Council was a member of the Australian Historic Motoring Federation (AHMF) for many years, but following a review of its membership, came to the conclusion that Council was not getting value for its membership fee and decided not to remain a member.

At the April 2023 Council Committee meeting Mrs Christine Hillbrick-Boyd, Secretary of the AHMF made a presentation to the committee members asking that the Council reconsider re-joining the Federation, which has undergone considerable change and is allegedly more relevant to today's heritage motoring needs.

The Council Committee will consider its recommendation and advise delegates of its decision whether it should re-join the Federation.

Shannons Wheels 2024

The Shannons Wheels 2023 charity vehicle display on the Queanbeyan Show-ground was judged the best ever.

Organised on behalf of the Council by the Canberra Antique and Classic Motor Club for four years, the club has advised the Council that it is time for another Council affiliated club to take it over. The Club has prepared a 'to do' schedule to assist the new organising club.

Council Secretary, Peter Atkinson, has requested that any affiliated club interested in organising the Wheels 2024 to contact him ASAP.

Coming Events

Council is a bit short of information about coming events for its web page, and has requested that affiliated clubs inform Council Events Manager, Geniene Webster of any coming events – location, date, time and contact details to enable her to upload the information on to the Councils website.

Geniene also reminded delegates that any events entered onto Facebook be made public so they can be shared. Council can provide assistance to do this.

Event Venues

If your club is looking for a suitable location venue for a forthcoming event/display, then look no further than the Spanish- Australian Club, Narrabundah, which has all the necessary amenities to make your event a success. For further information and bookings contact Secretary/ Manager 6295 6506

REDEX Reliability Trial 70th Anniversary re-run this coming August

The 1953 REDEX 'Reliability' Trial captured the imagination of the Australian public; it also demonstrated the capability and reliability of the 'modern' cars of that time.

143 out of 182 cars completed the 10,000 km trial in September 1953; of which 18 were Holdens (recorded as Holden 48 -215s) and 10 were Peugeot 203s. The cars that completed the endurance trial also included Standard Vanguards, Humber Super Snipes, Austin A40s, Ford Customlines, MG TDs, Riley 2.5 Litres, Jaguar Mark VIIIs, a Jowett Javelin, Mercedes Benz 170s, a Ford Zephyr Six and Ford Consuls, pre-war Terraplanes, a Vauxhall Velox, a Porsche 356, Rover 75s, and a Renault 750. The winners were Ken Tubman and John Marshall in a Peugeot 203, which was only settled by a tie breaker stage on the last day; while the first 20 finishers included 4 Holdens and 3 Peugeots.

To commemorate what was also known as the inaugural Round Australia Trial, the Peugeot Car Club of Victoria (PCCV) is planning to conduct a 70th Anniversary REDEX RERUN, basically a 3-day tour from Melbourne to Sydney – at this time scheduled to be from the 3-5 August. As much of the route as possible will be along the old Hume Highway alignment; except that it will include visiting Canberra on the second day and include the Marulan tie breaker stage on the final day.

In the first place, the re-run event will be open to car models that were on-sale during the first half of the 1950s with a maximum entry of 60 cars. Also, initially 15 places will be reserved each for FX/FJ model Holdens and Peugeot 203s.

REMINDER

We are obliged to keep our membership database with regard to vehicles on concessional registration, as up-to-date as possible.

Members' help is therefore required to do this. Please advise the Membership Secretary, Richard Thwaites if:

- If you are taking a vehicle off ACT concessional registration.

All new registrations need to be reported to the Club Registrar and the Membership Secretary.

So if you are changing a vehicle from full registration to CRS you will be having it examined by one of our Club Examiners for suitability for CRS in particular with regard to modifications. You can ask the Examiner to advise the Registrar and Membership Secretary or send off a quick email yourself. You will find their details on pages 2 and 3. Or text Bob Alexander on 0417 880 064 and Richard Thwaites on 0414 241 079.

Your help is much appreciated.

For Sale – 1924, 6 cylinder Buick Tourer **\$8,000 ono**

This car is for sale by the Newcastle District Vintage and Classic car club as a fundraiser for upkeep of the club rooms.

The car has been stored in a member's barn since the early 1970's and shows only 16,419 miles on the speedometer. The car is in very original condition

The car was partially dismantled and has been recently re-assembled by a club member. The car now runs and only needs the brakes freed up to be drivable (brakes are sticky due to sitting so long)

The engine, clutch and gearbox have been fully overhauled during the re-assembly process.

The car shows no wear on any of the mechanicals. The steering and suspension has no movement and there is no sign of wear on the braking system.

The engine has only 0.002" wear in the standard bore.

The car is complete and would be an excellent restoration project, or alternatively run as a "survivor car"

The car wiring is mostly missing and the original leather upholstery will need replacing as it is in poor condition.

Car is located in Vacy, NSW. For further information and photos, please contact:- John Donaldson
