Come along to the Canberra Southern Cross Club and join an exclusive group of CACMC club members for a lunch and a catch-up.

Latest News from Helen

Well unlike last month there hasn't been any sad news passed on to me.

I have had contact with Ian Hooley and at the last call the insurance still hadn't been forthcoming. Three different sets of people had to sign off on it so it has been very frustrating. They are anxious to get power on and start rebuilding.

Good news on Harold's car problem from the April run - a dud coil. Replaced under warranty and they are on the road again....

Good work Richard on the National Motoring Heritage Day event. Geoff Hall's photos on Facebook were interesting. Some turned up at Yarralumla early as they lost the way so went straight to coffee! The staff at the Oaks were very efficient and those who pre-ordered got their lunch quickly, well after they had paid.

It was great to see the awards presented to worthy recipients. Just two members couldn't make the day and we hope to see them at the next meeting.

There will be lots of discussion at coming committee meetings about what we can do to get new members to join in the activities of the club. Thank you to those of you who are attending meetings and runs. I know the growth of the club is causing problems as we can only have six Examiners and they are stretched trying to cope. They are entitled to take holidays like everyone else too.

I'm looking forward to the next run to Bungendore to the refurbished hotel. See you there?

OUT AND ABOUT (REPORTS FROM CLUB RUNS & EVENTS)

Canberra Cars N Coffee event— Sunday 28 April 2024—Acton Article from Mike Norman

This event has become a regular fixture on the Canberra car and bike enthusiasts calendar. The meets are organised online via the Canberra Cars N Coffee facebook group, and have attracted a growing number of enthusiasts since its inception.

No entry fees and a passion to share automotive enthusiasm with fellow petrol heads is the only requisite to attend the meets (that and a willingness not to misbehave).

The event has grown in attendance and attracts a good cross-section of the Canberra motoring community. Bikes, street rods, classics, some older 4wd's and current vehicles are all welcome. There's bound to be something displayed that ticks your box.

I have attended the event a couple of times now, as has Scott Molloy, taking his Falcon to a meet earlier this year.

Like any good car meet, the cars elicit good conversation with older and younger members alike who remember when they or their dad/grandad etc had a car like the ones displayed.

While the newer modern cars may not be your cup of tea, I would recommend that the Club get behind this event and maybe consider having a display.

Hopefully see you at the next one in July —Mike!

EJ & EH Holden Exhibition—5 May 2024

Article from Graham Boyce

A cold and blustery day saw Phil Cancellier and Graham Boyce display their Buick's at the EH Holden exhibition on Sunday 5th of May. The event was held at the Vikings carpark in Tuggeranong, and attracted a good attendance.

The EH Holden members put on a great display and the Buick's took pride of place with many outstanding vehicles.

Graham has owned his 1930 Buick Roadster for over 52 years. It's a car to be very proud of, winning him the Best Restored Original Car at the event on the weekend. Graham said he had a big smile on his face.

Phil's 1939 Buick Standard Buick Coupe was well displayed . In chatting with Phil he said he has restored his car twice. He also has owned his Buick for many years and he said he is proud of his car.

Despite the inclement weather Graham recommended that the Club consider supporting this event next year.

Sunday 19 May— National Motoring Heritage Day—Canberra Cavalcade and Club Presentation Lunch

Canberra turned on a crisp clear sunny morning for the 2024 club run to mark the end of National Motor Heritage week. A cool morning caused a bit of an issue with the Zephyr taking its time to warm up which meant a slow climb up to the Red Hill carpark.

Richard and Dilber were next to arrive, and we were gradually joined by other Club members. The range of vehicles present was a good reflection of the diversity that the Club has in its membership.

After a short briefing and reminder about the intended route, the group set off at a slow pace to keep the 'pack' together.

Heading through Manuka towards the Parliamentary triangle, passers-by waved at the parade of cars. Onwards and around past Reconciliation Place, large numbers of Canberrans could be seen enjoying the sunshine and walking their dogs, the cars bringing smiles to peoples faces.

Anzac Parade was relatively quiet for a Sunday but as we headed into the city, the Haigh Park markets slowed the proceedings to a bit of a halt with cars waiting for pedestrians to cross several crossings.

Going through the city, quite a few families stopped to admire the cars with children pointing madly. I heard one child say quite loudly "oh look there's an old car, and there's another one", this is part of the pleasure of owning an old vehicle, in that it brings smiles to people's faces and brings back memories for some.

Over Commonwealth Avenue bridge now, the traffic increased, as did the pedestrians and public, out enjoying the sun on a typical Canberra Autumn day, the sun bright in the sky but the chill still hanging around.

A loop around under Commonwealth Avenue bridge and we were heading to Yarralumla, along the lake past the Canberra Yacht Club towards our lunch destination and awards presentation at the nursery.

It was a great opportunity to see so many Club members out enjoying the drive and a big thank you must go to Richard and the Events Committee for organising the day.

Check out the excellent video of the day on the Club's website—courtesy of Geoff Hall.

Neil Buttriss winner of the Best English Marque—Wheels 2024—1963 Vogue Sports Humber

Neil's Series 2 Vogue Sports Humber was built in December 1963 in Melbourne and was sold on 24 January 1964 at East Kew Motors. Despite 1200 being built, less than 20 are known to exist now. Neil acquired the car in early 2017, after coming across an ad on Gumtree for a Humber Vogue Sports. Not knowing what it was, he did a quick Google search and it sounded like an interesting car so he called the seller and viewed the car. He was astounded by how original

and how totally unmolested it was. He ended up buying it. (He bought it before his brother did!!!) Neil has done some mechanical work on it over the years and tries to keep it original as possible. His collection of period accessories is noteworthy.

Geoff Hall winner of the Bill Amies Mechanical Excellence Award with his 1963 Fiat 1500

Geoff came across his blue Fiat 1500 in a wrecking yard . After purchasing it for \$150, the car has been restored and served many purposes including his wedding car. More recently his daughter has learnt to drive in it and now uses it as her daily driver.

Graham Boyce winner of the Best American Marque —Wheels 2024—1948 Chevrolet Deluxe Coupe

Graham bought the Chev in 1983 through an import dealer in Melbourne. The order was to purchase a complete car, running or non running not a n issue—it just had to be unmolested. Two and half years of backwards and forwards and a test of patience come disappointment. The car finally turned up missing just about everything that was agreed on. To get the parts needed Graham contacted another guy in the US with a list of parts. Money was exchanged but years later still no parts.

Graham finally got some of his parts and converted the car from left to right hand drive. Graham has done the mechanicals, panels and paint, and a friend of his did the upholstery. The engine was given to him by a hot-rodder mate.

David & Jenny Fox— winners of the Henri le Grande Club Participation Award.

For quite a while now, David and Jenny have been graciously hosting the monthly Committee meetings—we are very grateful for their hospitality. David has shown some remarkable adaptability—at last month’s meeting, David wore several hats including President, Vice President, & Treasurer—a feat he accomplished with aplomb—congratulations David & Jenny.

May—Guest Speaker—Bob Dane— Mercy Ships

The May guest speaker was Robert Dane from Mercy Ships.

Mercy Ships provide medical treatment and care to people who are in desperate need. Through its two floating hospital ships—*Africa Mercy* and *Global Mercy*, the organisation can target its international team of volunteer doctors, nurses, and surgeons to communities that cannot get access to specific care and treatments.

To provide this care the organisation has to be invited into the country they are operating in, and work alongside existing health services. Where possible the organisation will train local health professionals so that the work can continue long after the ships have departed.

To date Mercy Ships have undertaken over 1100 community development projects, trained 49,000 health care professionals in their field of expertise, and 6,600 health care professionals have been trained to train others. Over 2,840,000 people have been direct medical beneficiaries of their services.

The links between a lack of affordable health care and global poverty are also clear. There is an urgent need for significant growth in surgical capacity and training. Mercy Ships is committed to increasing its own surgical and training capacity, and to raising awareness of the need for, and impact of, surgery in developing countries.

Among the countries Mercy Ships serves, which lie on the lower third of the World Health Organisation's Human Development Index, access to available and reliable health care is extremely limited. Diseases, congenital defects, and more go untreated. Countless people suffer and die from maladies that can be easily cured.

For more information about Mercy Ships go to: www.mercyships.org.au

Bob Judd on holidays but provided a written report read by Secretary.

As at 11 May 2024, the bank balance is \$51,175.98. There were no particular items worthy of mention in the recent months, although we have already received some renewals for the new financial year. Please pay your renewals on-line as soon as possible. Perhaps, worthy of mention is that postage costs have gone up yet again, with a standard letter now costing \$1.50.
