CUSTODIAN OF THE CLUB'S VEHICLE TRAILER

Bob Alexander rjacgs@hotmail.com 0417 880 064

Vehicle Trailer: To maintain the trailer in good condition, members using it are required to make a contribution to upkeep.

The contribution is \$20 for each use plus \$10 per 100 km or part thereof. Any damage incurred during use **MUST** be paid for by the member. Please present proof of financial membership of this Club to the custodian when collecting the trailer. Members are responsible for compliance with all road regulations.

CLUB MAGAZINE

Deadline for Contributions - Next Edition:

Please could I have any contributions by **Friday 30 August 2024**. Please send them to mnorman184@gmail.com or editor@cacmc.org.au

Most members receive their Colonial by email these days. To avoid paying the \$20 extra for a printed and posted copy. Just email Mike: editor@cacmc.org.au and cc membership@cacmc.org.au and Richard will take you off the labels list and we will email you the next edition.

FROM THE EDITOR

Hi Club members, another great roll out for the Gunning run on the 14th of July. Check out our next run to Captains Flat on Page 18.

I encourage new members to try and get along to Club events, it's good way to meet other Club members and enjoy a bit of fellowship.

APPLICATIONS FOR MEMBERSHIP

We look forward to meeting lots of the new members on our outings and at Club meetings.

CACMC FACEBOOK PAGE

The Club's Facebook page is now hosting some nice content and is a good source of information for members. New photos and videos are being uploaded from runs etc, as well as other 'last mnute' events members come across that don't make it to the Colonial.

We have some regular contributors— Geoff Hall has been busy uploading video and stills from the Gunning run—thanks Geoff!.

If you've been to any events and have taken any pics or video, or you come across events etc that you think might interest Club members, please let us know.

If you are on Facebook and would like to join our Group page:

- Simply type in "Canberra Antique and Classic Motor Club" in the search section of Facebook and hit search.
- Then click on the CACMC private group as highlighted above.
- This will then take you to the group page where you will find just underneath the photo a blue "join" box. Click on this box and this will send a request to us to join the group.
- Once we have accepted your request you will then be able to access the page and will receive notices when we publish anything.

Please note: If you are using a Facebook page that isn't in your membership name then you will need to let us know, otherwise we will not recognise you and therefore not approve you to join the group.

If you have any questions regarding this please contact Scott Molloy on 0408 308 088.

MIDWEEK SOCIAL EVENTS

If you are retired or semi-retired, you may like to join other Club members for a lunch and a catch-up on the first Friday of every month at Canberra Southern Cross Club.

The group usually spends about an hour or so over lunch talking mainly about cars and restorations taking place. It is a trove of knowledge that is passed to one another.

So why not come along and join us— All welcome.

LATEST NEWS FROM HELEN

I'm glad to report that Bob Garrett came home from hospital the Saturday after the last meeting. He had a fall on the night of the June meeting and fractured two vertebrae. Unable to sleep comfortably in bed, he took to sleeping in a chair which brought up another problem with his legs. All sorted out in hospital. He and Dana are going to have a rethink about their life and he said no more crawling under old cars. He would love someone to replace him in his job as Information Officer at the AGM. Meanwhile he will be asking for cars for a display at the St Johns Fair on 19th October.

We heard at the last meeting that David Brand was in palliative care. He was a former member with his red 1991 Ford Capri and has since passed away. Our sympathy to his family.

One of our female members has had a skin cancer removed and I'm glad she got the all clear that it was fully removed. Thinking of you Judy. I suggested to Joe that we have a speaker from the Cancer Council to speak about skin cancer. Perhaps something I will suggest again in the hotter months when we have more skin on display!

Librarian Jim Orman was missing last meeting. He was in hospital with respiratory problems caused by RSV. Glad to hear he is home again and doing okay. RSV sounds like a nasty business.

Webmaster Richard thought he had won the lottery when a newish member Ben offered to help but bad luck has befallen Ben or rather his wife who has been diagnosed with cancer. We hope she is able to beat it. This on top of moving house too.

The Seniors Expo this spring on Wednesday 25th September is to be at the Old Bus Depot Markets. I remembered a photo from the last time we were there in 2010. Then President Phil Donohue showing the Governor General Quentin Brice around the old cars.

Keep the news coming in.

**OUT AND ABOUT
(REPORTS FROM CLUB RUNS & EVENTS)**

**Sunday 14 July—Club Run—Hall to Gunning
Article by Mike Norman**

Despite it being a sunny day, the Canberra wind cut through reminding us that winter was still with us. This cold and breezy start greeted club members on the July run.

Being the first to arrive, I watched as Club cars gradually filled Hall's main street. Their respective owners seeking the comfort of a hot beverage at the nearby *Daughters of Hall Café*.

I joined Neal Buttriss in the layby at the northern end of the village and waited as the club members assembled for the off. (He was smart enough to bring his own coffee!!!). Richard arrived and showed his precision driving talents, neatly backing his car in next to mine.

After everyone arrived at the assembly point, and after a quick briefing from Howard, we departed at 10:30 for Gunning via Gundaroo. A relatively short run of 70Km but an enjoyable one none-the-less. The road was dry although we did encounter some roadworks on the way.

I had a passenger on board with me this time—my 80 year old mum, Wendy. She thoroughly enjoyed herself and it was nice to see her relaxed for a change. During the trip we talked about many things including the cars she and dad had owned. Sadly dad is no longer with us but he rides along in spirit.

The journey to Gunning for lunch was an easy one, and despite the cold wind, the weather remained fine. I was a little concerned for the Club members driving the open top sports cars but hey, that's the fun of them.

The majority of attendees opted for lunch at the pub—a good choice given the weather, and the range of hot food available.

Our Club trips seem to have attracted more members lately which is great to see. This time we had 27 historic cars with 45 people enjoying the outing with some new members coming along—great to see you, and see you on the August Club run.

For a video of the departure, check out the CACMC Facebook page.

THE AGM IS COMING - THINK ABOUT PUTTING YOUR NAME FORWARD FOR A COMMITTEE POSITION

Hello fellow Club members both old and new.

Just a heads up that our AGM is coming up in September where all Committee positions will be declared vacant. If you are able to, please come along to the AGM —its very important to have a good turnout that night. You might even consider putting your hands up for a Committee position,.

It does require an investment in time, but it is worth it—you get to see how our Club works, and you can influence the direction our Club takes. A new influx of ideas and opinions is always welcome.

Quite often the Committee roles fall on those members who have been with the Club for a long time, but I would encourage new club members and those that have the capacity or interest, to consider putting their hands up for positions within the Club's Committee when they are made vacant at the AGM.

So please consider nominating for a Committee position, or volunteering for the other positions available.

If you have hidden talents and the interest, come and make a difference for our Club.

If you are thinking of standing for a position t the AGM in September, please fill out the form opposite and lodge it with the Committee.

CLUB VEHICLES

When a vehicle restoration becomes a different type of restoration.

This story is not about a car restoration, it's more than that, it's about how a Club member has used his project as therapy to assist in dealing with the effects of Parkinson's disease

Battling with Parkinson's can be extremely debilitating, mentally, emotionally and physically, and it affects those that suffer it quite differently

So when Tony Spencer was forced to retire from work early in 2023 due a diagnosis with Parkinson's disease, he looked for a project to help him retain his fine motor skills.

Tony has always been a car enthusiast and been a member of car clubs previously. Up until his retirement he had not really had the opportunity to fully restore a car to roadworthy status. The usual list of things that get in the way of such endeavours of most car restorers having to be dealt with — work, family and a plethora of other things.

In the lead up to his retirement he began looking for a project to keep him busy and eventually bought a 1989 Subaru Brumby. It was a non-runner and was actually sold as a scrap or parts car.

While there have been many 'wreck to restoration' stories featured in the Colonial, this story is about how Tony's project continues to be genuinely therapeutic in his challenge with Parkinson's. The challenges vary on a day to day basis, and sometimes the project provides the motivation needed to step up and get going.

The physical, mental and fine motor skills employed when dealing with the mechanical electrical and cosmetic aspects of a car restoration are perfect therapy, (especially handling small things like screws) and have kept him busy and in relatively good health as a result.

There's still plenty left to do, but for now the car is roadworthy and registered. For Tony

that's a great place to be and gives him the platform to do more 'therapy' - next on his to do list will be the wheel bearings.

The future looks bright, and the 'project' is at a stage that he can use it and we hope to see him out on club runs in the future. Great job Tony!

Next Club Run

The next Club run will be held on **Sunday 18th August to the Captain's Flat Hotel**

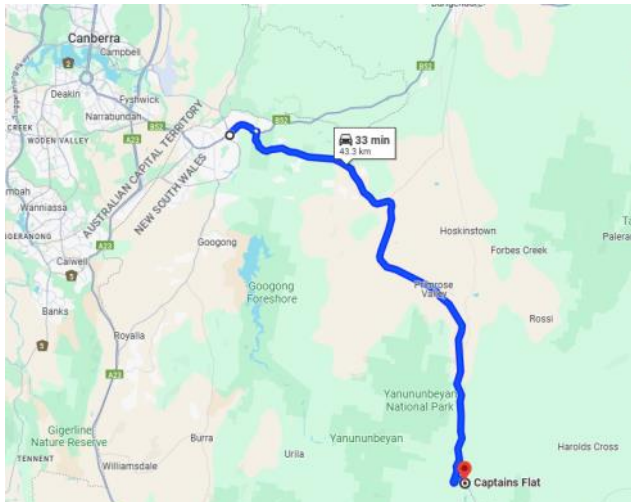

The Captain's Flat Hotel is open again for business, so we are planning a short winter run up there for a cosy lunch. Because it is not a long drive (35 mins), those enjoy sleeping in will be pleased to know we plan a later start than usual.

- **11:00 am: Meet** at the Spotlight/Supercheap carpark on King's Highway, Queanbeyan (6 Bungendore Road). Coffee and toilets are available there for those interested.
- **11:30 am** Depart for Captain's Flat.
Exit the carpark and **turn RIGHT** on King's Highway, uphill towards Bungendore.
- Past the crest at The Ridgeway, coast down the hill about 200 metres to the roundabout-junction and **turn RIGHT** into Captain's Flat Road. That road takes you right to the door of the Captain's Flat Hotel.

Check out the venue's menu here: <https://cacmc.org.au/website/wp-content/uploads/CaptainsFlatHotel-Menu-Aug2024.pdf>

Any updates will be circulated closer to the time.

Spring lunch in Gunghalin—August

With warmer weather hopefully on it's way a lunch has been organised for **Friday 23 August 2024** at the Gungahlin Lakes Golf Club in Nicholls. It is hoped that members together with their partner will come along and enjoy a great lunch in the lovely surroundings that the Golf Club has to offer,

It would also be nice to see some of our Club cars parked in the carpark. We will book a table so it would be helpful if you intend to come along please let us know by Wednesday 20 August.

Many thanks

July—Guest Speaker— Jeremy Callaghan TyrePlus

The guest speaker for the July meeting was Jeremy Callaghan from TyrePlus in Woden.

Jeremy opened the floor to questions and fielded a range of topics from cracked tyres, the meaning of the yellow and red dots on the tyres, if tyre paint affected the cases, synthetic tyres vs rubber, run flat tyres and the use of rope plugs.

By the end of the session we were all a lot more informed. If you are looking for tyres for your car—go in and see the team at Tyreplus in Woden.

Something to ponder – During the 1980's the then Federal Government discussed the matter of retaining Australia's "moveable cultural heritage" in this country. In 1986 the "Protection of Moveable Cultural Heritage Act" came into law. Moveable items mentioned in the Act were agricultural machinery of which much was manufactured here. Aircraft get a mention, items with significant Aboriginal Heritage are naturally heavily protected as are many items of significance to Australia's past. Even meteorites get a mention.

The Cultural Property Section of the Department of the Arts is the relevant authority within the National Government. Motor vehicles are of course covered, which is the part of the legislation those reading this may be most interested in. **The process for someone selling a historic vehicle overseas** is that the owner should apply for a Permit to export such a vehicle. The application is then handed on to one of the Federal Government appointed "Expert Examiners", each of whom has specified the area of their expertise within this group.

It would be unlikely that anyone would have expertise across the very broad range of motoring history. The assessment usually takes two to three days of work as a volunteer, plus any costs incurred. Some of the Expert Examiners found that in many cases getting the history of a vehicle from the Australian owner was difficult. Networks within the heritage vehicle movement are therefore an essential part of the scheme. The Examiners reports are then submitted to the Department. At that point the E.E. is no longer a part of the process, and receives no further information from the Department.

A review of the legislation was undertaken in 2015 as a consultative process by Mr. Shane Simpson with meetings in Melbourne, Sydney and Brisbane – there may have been others, these are the gatherings of which I am aware. The proposed changes to "the Act" heartened those "at the coal face", but they have not been enacted, to the disappointment of all involved.

A further review by a committee in Canberra was established in 2022 but has so far, to my knowledge, not produced a result. There is a suspicion at the moment that a request for an assessment prior to export of an item MAY be handed out ignoring the stated expertise of the various Expert Examiners. For example, an assessment for a veteran vehicle could be handed to someone whose stated expertise is Formula 1.

Many motor vehicles (and other important items, e.g. tractors) have just disappeared, and then popped up in an overseas auction catalogue. There was on display at Alice Springs airport an intact and presentable, but "made into a ute" Silver Ghost of 1920 having belonged to the gentleman who founded Conellan Air. He had purchased it in 1939, the car having been in Australia since 1922. Cattle King Sir Sidney Kidman's first car was a 1909 Thornycroft and was somehow allowed to be exported to England in 2007.

This situation is constantly being agitated on by a few but successive Federal Governments give the appearance of them having other priorities. At one stage it seemed that clubs looking after traction engines and portables were having some success. Many significant items of farm machinery have just disappeared, then turned up in other countries, mostly UK and USA. As many have found, shipping containers are so convenient!

The entire historic vehicle movement should be aware of the problems inherent in this legislation and its management, and add their weight of numbers to support a major revision of the method of dealing with this historic and extensive problem.

COUNCIL REPORT

Council Report June 2024

Council Committee is looking at options for the disposal of the Pie Cart. (However, as there is no urgent need that any decision be made, it could be delayed until after Wheels 25).

Wheels 25

There has been no response from Delegates to a call for input to the planning for Wheels 25. Wheels 25 Sub Committee are looking into the feasibility - likely cost vs sponsorship and income sources.

Pending that assessment, the event may have to be shelved.

Meanwhile, planning for the event is proceeding, including how to manage Club involvement by gaining early notification of attendance and the subsequent fulfilling of attendance commitments and timely attendance!

Log Books

Each new year CRS Log Books need to be reindorsed, confirming that the owner is still a financial member of the Club and therefore still eligible for CRS registration.

Events

- **July 19-21 USA Car Classics Cruise**, hosted by the American Car Club.
- **August 11 VVCMC's Gluhwein Ride** from Casuarina Sands to Corin Dam and return.

EVENTS

WEB MASTER

Ben has volunteered to assist with Web Site.

RALLY BUSINESS

Brian O'Donnell is planning a rally to the NSW mid North Coast in early March next year. The event will be based in the Nambucca Heads or Macksville area. Details will be outlined in a forthcoming issue of the Colonial and expressions of interest sought.

GENERAL BUSINESS

Howard Taylor advised he was aware of a starter motor for a pre 1920 Studebaker being for sale.

MEETING CLOSED 9.03pm.

RALLY BUSINESS

Proposed Mid North Coast Rally 8 -18 March 2025

Expressions of interest are sought for a rally to the mid NSW north coast, based in the Nambucca Heads- Macksville area. There are many local attractions in the area, many we could not visit on our previous visit to the region because of extremely wet weather. I will be visiting the region shortly and will check out accommodation options.

If anyone is interested please let me know by email brianfodonnell@hotmail.com.
