## PRESIDENT'S MESSAGE

Welcome all members back to our normal annual programme of meetings and events, as the holiday season begins to fade. There was no Colonial in January, and no meeting of our Management Committee. However, there was plenty of other activity.

We had another popular and successful Chicken and Bubbly picnic at Black Mountain Peninsula, and a lively and well-attended General Meeting on January 13<sup>th</sup>, with an informative and stimulating presentation from David Fox on the rich history of the motor manufacturing industry in Australia. Club membership continues to grow, and we welcome all new members.

New challenges have also arisen over the summer. Some key roles in the running of the Club remain unfilled or will soon be vacant, including the key task of editing *The Colonial* magazine – our principle regular contact with members and the wider public. The Council of ACT Motor Clubs has announced changes in the location and management of the annual Wheels display, which raise questions for the group participation of large and diverse car clubs such as CACMC.

We rely on the goodwill and energy of our membership to support the Committee and to come forward with ideas for our future together. I look forward to more of our smart and capable members turning up (and piping up) at our monthly General Meetings this year. The club can only be what our members make of it.

Keep the wheels turning!

Richard Thwaites

## EDITOR'S PAGE

Well this is my last edition as Editor. It has been a pleasure and a privilege being the custodian of the Colonial bringing you stories, photos, and whatever else I can lay my hands on. As a Club, please support the new Editor and give them content—this is your magazine after all and it should reflect the diversity of people and vehicles we have as members. We do some amazing things and do great things for the Community. As a Club we also play a huge role in keeping Australia's motoring history alive, but sadly the value of this isn't being recognised which is a shame.

Michelle and I have enjoyed being part of the Club and have made many good friends. We are heading out of Canberra now on a new adventure and yes we are taking the Zephyr with us— so if you are in the Bega area, why not give us a call and drop in and come say hello—we'd love to see you. We will keep in touch though. All the best to you all and thank you—happy motoring. *Mike & Michelle.*

## FRIDAY SOCIAL EVENTS

If you are retired or semi-retired, you may like to join other Club members for a lunch and a catch-up on the first Friday of every month at Canberra Southern Cross Club.

The group usually spends about an hour or so over lunch talking mainly about cars and restorations taking place. It is a trove of knowledge that is passed to one another.

So why not come along and join us— All welcome.

**DON'T FORGET TO CC in THE EDITOR AS IT CAN ALSO GO IN THE COLONIAL**

## CACMC CLUB SANCTIONED EVENTS

### Club sanctioned events:

You will notice some events listed on page 11 have a # in the title. This means they are a club sanctioned event where members participation is being sought. These go under club runs in your log book.

A member may advise the club (best the Registrar or Secretary ) if they wish to participate in any other club event, be it local or interstate. The club official records that participation and the member may then record the participation under a club event, provided the route to/from ( more appropriately for interstate events) is mostly direct.

The operator may choose to use a combination of club and private use entitlements, an outline of which should be advised to the club officials before departure. Obviously for a rally over long distances, club entitlement is appropriate.

If operators wish to combine an interstate club event with a period of private use, that is also permitted under the system principles. Integrity and common sense are required as any seeming abuse will impact the entire historic vehicle community.

**MEMBERS PLEASE NOTE: YOU MUST HAVE A LOG BOOK OTHERWISE IT IS ILLEGAL TO TAKE YOUR VEHICLE ON THE ROAD.**

## NEXT CLUB RUN

Sunday 15 February 2026

## OUT AND ABOUT (REPORTS FROM CLUB RUNS & EVENTS)

### Ollie's Garage 100 Years of Ford Display—Saturday 6 December 2025

In December Club members with Ford cars participated in the 100 Years of Ford Display at Ollie's Garage.

The event attracted lots of interest and had a great selection of Fords from our Club as well as the Ford GT Club.

A big thank you to all the organisers, including Ian & Tina Oliver.

Ford display cars to be in place externally by 8.30 am.  
Open to the public 9.00 am - 12.00pm  
\$15 entry fee to the Ollie's Garage showroom.

The event was repeated on 24 January where they raised an additional \$2,000 for the Beyond Blue.Charity.

## CACMC—Christmas Party -9 December 2025

At the Xmas run the pre-war Austin 7s really flew the flag for club. John Jeffries brought the magnificent Bristol and showed off the magnesium rocker covers on an engine built to aero specs. Here seen with an admiring Murray Mules. Who said English cars have disappeared from the world stage !

It was a delightful evening under the trees by the lake but most members seemed to have brought moderns.

Big thank you to the Events Team—and especially to John—the prawns went down a treat this year!!

Awards were also presented by Richard to the following well deserving members:

Colonial Award: Geoff Hall,

Vin Liston Award: Scott Molloy,

Henri Le Grand Club Participation Award: Brian O'Donnell.

## CACMC Event—Chicken & Champagne by the Lake— 18 January 2026

The 2026 year kicked off with our annual chicken and bubbly event at Black Mountain Peninsula. The event was well attended by Club members and it was nice to see some new faces joining us for the first time.

Plenty of conversation and the appearance of Helen's Pink ladies shirts, with Helen getting a few orders—well done Helen!

Hopefully we will see more new members coming to some of the runs this year.

Once again our events team put on a good spread and everyone had a decent feed.

## LIBRARY CORNER

Don't forget we are still looking for pre 1987 Colonials. Why not have a look in your collection and see if you have any?

The library is shrinking but very slowly. We are continuing to cull books that have not been taken out, or are outdated. However we continue to accumulate workshop manuals. I must admit that I get a lot of value from the Car Forums for my cars.

### The Next Ballot

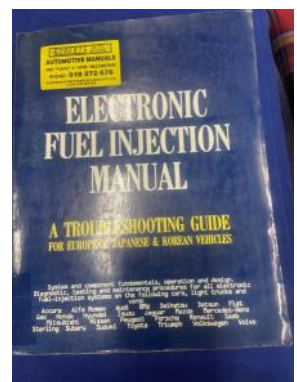

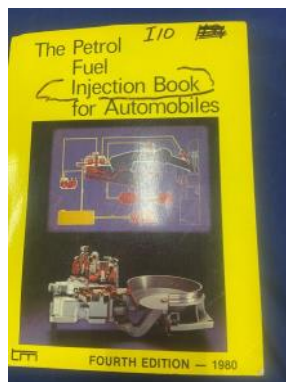

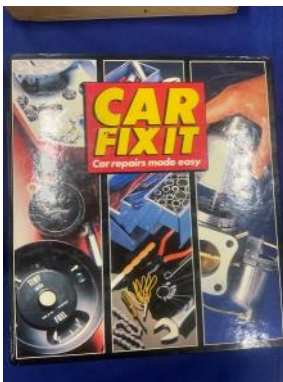

At our next meeting we will be offering the following up for the free ballot:

And these books and magazines which have been excellent reference material in the past:
