PRESIDENT'S MESSAGE

The Terribly British Car and Bike display, organised by CACMC, will be over by the time many get around to reading this edition of The Colonial. It has been a major and complex undertaking led by Malcolm Noad, our Events Director, and supported by his team. Organising events for one club is tricky enough, but an event like TBD requires coordination and communication with many other clubs and related bodies. Congratulations to the team.

The President's Run to Lanyon, via Tidbinbilla, is on Sunday November 16th. (Details are on page 10). This will be the last of our road runs for two or three months. During the hot summer months we will conduct two evening barbecue events (December and January), and we expect the major annual all-clubs Wheels event to take place in February.

We look forward to seeing you and your special vehicles at as many club events as possible, and will do our best to keep you in touch via The Colonial and our email lists, as the need arises.

Remember that the Committee are always keen to hear from you with ideas about club activity, and offers to help with running things for the membership.

Let's keep the wheels rolling!

Richard Thwaites

President

EDITOR'S PAGE

Not a lot to report this month from an editorial perspective, we've had some good runs and Club members have attended some interstate events. As Richard mentioned in his message Terribly British day was on Sunday 2 November in Queanbeyan—a huge thank you to Mal and the team for organising this.

Don't forget the President's Run on the 16th (see details Page 10)

Before we know it our Christmas event will be on us again, Michelle is doing a Christmas cake again to complement the outstanding work of the events team, so we hope to see you all at that event at our usual spot on the Lake. (Details to come).

Aologies for the delay in getting this edition out—I was holding it open to include Terribly British photos etc.

FRIDAY SOCIAL EVENTS

If you are retired or semi-retired, you may like to join other Club members for a lunch and a catch-up on the first Friday of every month at Canberra Southern Cross Club.

The group usually spends about an hour or so over lunch talking mainly about cars and restorations taking place. It is a trove of knowledge that is passed to one another.

So why not come along and join us— All welcome.

CACMC FACEBOOK PAGE

The Club's Facebook page continues to be a valuable channel of communication for the Club bringing events and post event photos etc to members. A big thank you to all those that have uploaded content—keep it coming.

If you've been to any events and have taken any pics or video, or you come across events etc that you think might interest Club members, please let us know.

How do I join the Club's page?

If you are on Facebook and would like to join our Group page:

- Simply type in "Canberra Antique and Classic Motor Club" in the search section of Facebook and hit search.
- Then click on the CACMC private group as highlighted above.
- This will then take you to the group page where you will find just underneath the photo a blue "join" box. Click on this box and this will send a request to us to join the group.
- Once we have accepted your request you will then be able to access the page and will receive notices when we publish anything.

Please note: If you are using a Facebook page that isn't in your membership name then you will need to let us know, otherwise we will not recognise you and therefore not approve you to join the group.

If you have any questions regarding this please contact Scott Molloy on 0408 308 088.

CACMC CLUB SANCTIONED EVENTS

Club sanctioned events:

You will notice some events listed on page 14 have a # in the title. This means they are a club sanctioned event where members participation is being sought. These go under club runs in your log book.

A member may advise the club (best the Registrar or Secretary) if they wish to participate in any other club event, be it local or interstate. The club official records that participation and the member may then record the participation under a club event, provided the route to/from (more appropriately for interstate events) is mostly direct.

The operator may choose to use a combination of club and private use entitlements, an outline of which should be advised to the club officials before departure. Obviously for a rally over long distances, club entitlement is appropriate.

If operators wish to combine an interstate club event with a period of private use, that is also permitted under the system principles. Integrity and common sense are required as any seeming abuse will impact the entire historic vehicle community.

MEMBERS PLEASE NOTE: YOU MUST HAVE A LOG BOOK OTHERWISE IT IS ILLEGAL TO TAKE YOUR VEHICLE ON THE ROAD.

NEXT CLUB RUN

Next Club run is the President's run on Sunday 16 November **Spring Ring to Lanyon Homestead via Tidbinbilla**

By club tradition, each year we hold one run suggested/organised by the club President. This year we will gather at Coolamon court carpark (Liddiard St, Streeton Drive side) travel a route via Cotter Road, Tidbinbilla Road to Tharwa then cross the Tharwa Bridge and proceed to Lanyon Homestead for lunch and to enjoy the homestead and gardens.

The Barracks Cafe offers a simple cafe menu, with outdoor or marquee seating. Picnicking in the heritage homestead gardens is also welcome.

10:30am: Gather at Coolamon Court western carpark (Liddiard Street, behind the Service Station). For an **11:00am** Departure—Head off onto Streeton Drive, then left onto Cotter Road. Follow the road to Tharwa, then Lanyon. **Don't miss the driveway entrance to Lanyon Station** - on the left, about 3kms after crossing the Tharwa Bridge.

OUT AND ABOUT (REPORTS FROM CLUB RUNS & EVENTS)

St John's Church Fete—Saturday 18 October

The Club had a good turn out and put on a good show for the Annual St John's Fete in Reid. The weather behaved itself and allowed a variety of events to proceed to entertain the attendees including a Pipe Band and Medieval re-enactment group. A big thank you to all those members that attended.

Club run to Captains Flat Pub 19 October

Well I can't actually tell you much about this run as I wasn't able to attend. I am reliably informed that everyone had a good run and enjoyed their lunch.

National Show and Shine—Euroa

The long weekend in October saw my son and I hook up the car trailer and head to the National Show and Shine in Euroa (Vic) with the Zephyr. For those of you that haven't been or don't know about it, it's one of the largest annual car shows in Victoria. The town of Euroa hosts this annual event and this year they stepped it up a notch closing off the majority of the town to host the wide variety of cars that attended the event.

Cars and bikes of all makes and models were on display, owners taking great pride in the turnout of their vehicles.

Last year Chris (my son) and I were welcomed into the Victorian Zephyr & Zodiac Owners Club Inc, and we were happy to catch up with them again this year with a display of a range of models covering Mk1 to Mk4 in both sedan, wagon and ute configurations. Sporting a new sign board, the Zeph was displayed amongst its peers.

Despite a forecast of rain, the showers held off and the day itself went off without a hitch. Music was provided by Willie and the Dixons, and there were numerous food stalls and local traders. The event is supported by the Strathbogie Shire Council as well as a

large number of sponsors including the major sponsor this year—Mitchelton. It's good to see a major event like this being supported by its local representatives. Best in show was won by the Back To the Future DeLorean.

Next year's event is on October 4 2026 and planning is already well underway for that event.

So if you aren't doing anything that weekend, maybe take a drive to Euroa and join the fun—I know I'll be

there again in 2026. Check out the website at: www.ansse.com.au

Terribly British Day—Sunday 2 November 2025

Well, it was a great day, well organised and with a great attendance with over 230 cars and a large public interest.

The weather lent a helping hand and a big thank you should go to Mal Noad and his team of helpers/volunteers from the Club, including Scott Molloy, Mike Paul, Howard Taylor, Dave Byers, Joe Micallef and John Furlan.

Other volunteers to note are Andrew McLean who provided the PA system, Neil Buttriss and Brian Ely.

Award Winners:

- People choice was won by a Jensen from the Jensen car club of Victoria.
- Most Desirable car was a Bristol owned by John Jeffries from our club.
- Best Club display was won by the Rolls Royce car club.
- Best photo was won by Krystal Keller and her children in John Furlan's Healey. (see below).
